COMPANY PROFILE

Dongzhixin Company has been focusing on the furniture industry for more than ten years and currently has two intelligent factories. Dongzhixin has always been dedicated to every detail with a spirit of craftsmanship, accumulating rich industry experience and technical accumulation. At present, we have a excellent design team of more than 6 people, a production workshop of 50,000 square meters, a warehouse of 20,000 square meters, 200+ employees, a monthly production capacity of 15,000 pieces, 24-hour after-sales service, and all of the products are strictly in conformity with ISO9001, ISO45001 certifications. With strong technical strength and innovative design concepts, we constantly break through tradition and create high-quality furniture that combines beauty and practicality.

Through multiple inspection procedures, we rigorously inspect materials, craftsmanship, and functionality to eliminate any defects. Whether it's product consultation, usage guidance, or after-sales issues, our professional team can provide you with efficient and thoughtful solutions in the first time.
